Carewest will continue to offer Train the Trainer sessions in Calgary and Edmonton on a periodic basis. The sessions are from 0800-1615 and attendance is required for the whole time. We need a minimum of 10 participants to hold a session. Once our maximum of 20 participants is reached, you will be asked to choose another session.

The cost per participant will be \$550.00 for the three days instruction, course materials (training binder and CD) and three lunch meals. There is a two day Train the Trainer session for colleges only. The fee for this two day session is \$450.00.

Please complete the attached registration form and forward via fax to (403) 267-2757 or via email to supportivepathways@albertahealthservices.ca. Invoices for registration fee will be mailed out after registration is received.

If we have insufficient registration to hold a session we will notify you at least two weeks prior.

Cancellation of registration must be received three weeks prior to the training session. Refunds would not be provided for cancellations after that time unless the space is filled by someone else.

Sincerely,

Kirsten Cloutier
Administrative Secretary
